(Intro)

Girl, You know I tried  
And I did what I do  
Girl I Guess We're through  
There is nothing to do about us

(Verse1)

First you change your mind then you wanna move on  
Girl I don't have the time for your games  
I thought that this was love the one that I would dream  
of

But I guess that all love is the same  
Girl what am I to do cuz I'm missing you  
And I'm wanting to feel your touch  
I try to make things right with you  
But it's like

(Chorus)

Burning bridges, Burning Bridges

It's like, It's like

Burning bridges

It's like, it's like, it's like

Burning Bridges

I try but I just can't succeed  
I pray I give you what you need  
It's like Burning bridges

(Verse2)

I try my best to give you all of me  
Girl I'm giving you all that you need  
I thought that we had something special  
How could you just go out betrayed me  
Girl what am I to do cuz I'm missing you  
And I'm wanting to feel your touch  
I try to make things right with you but It's like  
It's like

(Chorus)

(Bridge)

Give me all of you, I'm what you need  
Give me all of you, I'll set you free  
Give me all of you, I'm what you need  
And maybe one day you'll wake and see  
It's like

(Chorus)
