Oh- Oh -Oh -oh

You, you, you, you, you, you, you, you

(Call the radio if this is yo song)(4x)

Verse 1

I'm tired of waiting for you to call

Your love for me girl don't show at all

I, I be waiting patiently by the phone

And when I call you, you never seem to be home

I don't know why you wanna lie

And after all the things that we been through

Girl you know that I miss you oh (oh)

(I want my friend back, like it was brand new)

And girl you know, you know that I love you

(Hook)

I wan't you to love me

Verse 2

What would it take for you to see that you belong to me

Girl you know I live for you

Your like a precious drug, don't wanna give you up

And you know you're my heart too

Every since the day I met you

My life hasn't been the same

You took the pain away, ooh baby you know just what to say

I don't know what I'd do

Should I would ever lose you

(Hook)

I wan't you to love me(2x)

(Call the radio if this is yo song)(4x)

(Bridge)

Do you remember

When I told you that I love you

And I meant what I said yea

And I won't bring anything back cause I meant what I said.

You gotta prove it every, you gotta move whenever,
you gotta mean what you say(4x)

Said we gotta change
Ooh no
