Ooh ohhhhh
My name is Dare, Oluwadare
And I don't drive a car
I can't spend

Don't drive an Escalade EST, Porshe Boxter, or an Audi
TT
Can't even buy you no diamond ring,
Micky Moldo or GPG
(Nigeria, Lagos, this is brand new for you)

VERSE 1

I would like to take you out
On a yacht sail across the 7 seas
Buy a big fat house in Paris
Or a 50 bedroom mansion in Sicily
All I can do is to love you
Girl, you mean everything to me
True love don't ask for no money
All the flashy cars, clothes and expensive things

CHORUS

Don't drive an Escalade EST, Porshe Boxter, or an Audi
TT
Can't even buy you Gucci,
Micky Moldo or GPG
Don't drive an Escalade EST, Porshe Boxter, or an Audi
TT
Can't even buy you no diamond ring,
Micky Moldo or GPG

VERSE 2

I am not that kind of man
To treat you bad, make you sad, make you mad
I aint gonna be like that
I am gonna listen to my girl
Revolve around the world
I will respect her, defend her
Never would reject her
Why, she is a queen
Yes indeed
Like Nefertiti

Y'all know what I mean
True love don't ask for no money
All the flashy cars, clothes and expensive things

REPEAT CHORUS

VERSE 3

Let me explain something to you
Erm, I don't want you to get any misconceptions
You know, let's not get any confusion here
I care a lot about you
I don't really make that much money
I could buy you a bottle of champagne in the club
You know, take you out a couple of times
I could borrow my friend's escalade or porsche or jeep
Or whatever you know just to give you that trip
And treat you good, to treat you like a queen
I could do that
But
I don't drive (2x)
Someday I'll try
I'll give it my best shot
I can't spend (2x)
I don't have money
Oh girl I'll learn
Take me as I am
I don't drive (2x)
I promise I'll love you
Someday I'll try
You'll be number one
I can't spend (2x)
Please give me a chance
Oh girl I'll learn
I'll learn how to love you

REPEAT CHORUS (till fade)
