Chorus:

I be doing my thang (doing my thang)  
You know that I be doing my thang (doing my thang)  
Can't stop B Gizzle

Verse 1:

You know my pimp game tight, mack game official  
Streets still the same so I stay packing a pistol  
Code never changed, Always keep your heater with you  
Never know when a heater in the cut trying to get you  
Cruise through the hood on dubs in the winter  
Dub deuces in the summer, I'm hellafied nigga  
26s on my hummer, get my shine on nigga  
I can do it like that cause I get my grind on nigga  
And I hustle however I gotta whenever I want  
where ever I'm at, weed, dope, pills, or crack  
I be getting connected, making the moves  
And plugging my click so let a real G do what he do  
Cause I'ma do it if you want me to do it or not  
I think its best you let me if you don't wanna get shot  
I think its best you respect me if you don't wanna get  
shot  
If you test me, the results is I wet up your block

Chorus x2

Verse 2:

Get in touch with me if you ain't know where the yay at?  
Keep 50 bricks laced in the trunk of the maybach  
I don't give out my number cause niggas rat, I don't  
play that  
Never give a fed something that have to cause the  
playback  
Have me where all my niggas from back in the day at

On the conspiracy, asking myself why did I say that?  
I know better, I can sniff a snitch out  
Just as quick as I can bat a bitch and pull my dick out  
Just as quick as I can open shop and move a brick out  
I change route, I feel that vibe, I'm good at scoping shit  
out  
Good at duct-taping those hoe niggas who open their

mouth  
Informers informing their people that the cope out the  
drought  
Fuck with a nigga money, that ain't how it go in the  
south  
That how the fuck you get caught up and ain't a way out  
I think its best you respect me if you don't wanna get  
shot  
If you test me, the results is I wet up your block

Chorus x2

Verse 3:

Money in the mission I'm on, No lying  
I ain't fifty but I'ma get rich or die trying  
If the work good and the price sweet, I'ma buy it  
Gotta hope who'll hit the train drive back or fly  
My city on lock when its wet and its dry  
Gotta connect like the internet, I stays online  
Gotta benz on chromes so wet, stay on shine  
My nigga get on your game cause I stays on mine  
Nigga who played games, I spray K's and Nine's  
It's chopper city and we ready to ride or die  
I think its best you respect me if you don't wanna get  
shot  
You test me, the results is I wet up your block

Chorus x3
