[Verse 1: B.G.]

I been on the road movin coke and slangin raps

but the streets bout a nigga

I'm comin back to getchall
and we gone do it like real niggas do
not one maybach ten lac's comin through
we all got bitches on 24's spinnin
thats how it's goin down when a real nigga get it
thats why they holdin back and they wont break bread
cuz they already now how B.Gizzle gone play it
I'm a go in the hood bring em another route

I done got ride of mine so we rockin like that nigga

[Chorus: Ziggler the Wiggler] + (B.G.)

Geezy where you been man Geezy where you been

(you know Juve thats my dawg but I aint rockin like that)

[Chorus: Zigler the Wiggler] + (B.G.)
Geezy where you been man Geezy where you been
(man I been tryna make a dollar out off 15 cents)
I heard Juve went back now is you goin back
(you know Juve thats my dawg but I aint rockin like that)

Geezy where you been man Geezy where you been
(man I been tryna make a dollar out off 15 cents)
say Juve went back now is you goin back
(man Juve thats my dawg but I aint rockin like that)
