[talking]

It's like I'm the Heart Of Tha Street Knah'im'sayin
you already know a body can't operate without a heart
Knah'im'sayin
so if the heart stop then the street stops bumpin

[Verse 1]

if you could catch me not strapped nigga you good
come out the house without the pistol I wish I would
haters would love to catch me slippin but nigga please
I know these streets to well they a part of me
I'm a fool I feel like I'm the best
I take ya old lady-get my name tatted on her chest
I leave the ass soaked, I leave the pussy wet
I give her back to you then move on to who next
I hold the block down green, white, and brown
cross Martin Luther King on Velle uptown
I live by the code, I die by the code
don't rat, don't snitch, don't bend, don't fold Let's go!

[Chorus]

When I was young man I got lost in the streets
but now my heart in the streetz-man I'm the heart of the
streetz

When I was young man I got lost in the streets
but now my heart in the streetz-man I'm the heart of the
streetz

When I was young man I got lost in the streets
but now my heart in the streetz-man I'm the heart of the
streetz

When I was young man I got lost in the streets
but now my heart in the streetz-man I'm the heart of the
streetz

[Verse 2]

All the hood niggaz feel me
