Pounds of weed.

Listen buddy imma true definition of a G.
Imma legend of the block what you know bout' me.
Imma keep it 100. imma keep it 100.
In the hood wit a big chain fallin' from my neck.

Money fallin' from my pocket wit a chopper on deck.
Imma keep it 100. Imma keep it 100.
Imma keep it 100 baby that's no lie.
Throwin' up the finger every time I ride by.
Imma keep it 100.
Imma keep it 100.

Hold up, look, now i'm the definition of what they call
hot.
I started at the bottom, I'm finishin' at the top.

You know who it is, just walk the block.
Where I'm from you should never get caught without
the glock.
If you do then you slippin'.
If you slippin' you got em.
If you slippin' you stupid you need to be shot.
I roll with real niggas, If we said we done it.
I can't fuck with you at all if you cant keep it a hundred.
I can't fuck with you at all if you aint about gettin'
money.
I be thuggin' in public and them hoes love it.

Imma hustler, triple OG.
I never let the money or the fame change me.

Listen buddy Imma true definition of a G.
Imma legend on the block what you know about me.
Imma keep it 100.
Imma keep it 100. In the hood with a big chain fallin'
from my neck.

Hold up, now, just cause you blinged up, don't mean
you changed up.
That just certifies a nigga that came up.
I fill the bank up, and fill the safe up.

[B.G. Lyrics are found on] Them k's on deck in case
you niggas play dumb.
You know I'm g'd up.
You know I'm soulja'd down.
Rest in peace soulja slim, he told me to hold it down.
So I'mma hold it down, and I'mma keep it real.
I ever whatever I'mma keep it all the way real.
I get it how I live.
Man, I don't give a fuck.

Four ounces in the drank, hundred dollar cup.
I smoke real good kush, hundred dollar blunts.
Look in the parking lot, hundred dollar not a truck.
