[Verse 1]

I was born 1980 September 3rd
thats the day checks come out and vics gets served
so you know I got the blood of a hustla in my vain
my daddy had 3 brother that all gave me some game
they was raised in the projects I was born in the hood
I was raised on the block my mom did what she could
always got what I need sometimes I got a lil mo
but I grew up watching g's on the set gettin dough
I made b's n c's up in to 5th grade
it went to d's n f's cuz I didnt want to behave
I was the class clown Christopher raise hair
I show my dick to them hoes and I get expelled
yeah I get punished I was supposed to be inside
I snuck out the back round the school fo lunch time
the police spotted me id break out and run
make em run behind me that was my way of having fun
somewhere in 87 might of been 88
I knew of Baby and Slim we was from round the same
way
they moved a lot of weight but I aint gone tell it all
