I'm way to fresh
My swagg to mean
It should be a crime to be this clean
2x go head and take me to jail 2x

Cuz I'm killin em all when I step on the scene
I murder em all in the first degree
2x go head and take me to jail 2x

When I step off in the club my swagg so mean
All the boppas holla badazz so clean
2x go head and take me to jail 2x
(Go head and take me to jail)
(Fuck it take me to jail)
All the girls they wanna do me
I'm exclusive in my coogi every nite
2 or 3 groupies in my penthouse jacuzzi

Put on polo I go locco, girl take ya photo
Way I look, the way I smell mane I needa be in jail
Hold up, I'm in the bently
Roll up, lets get high
T-shirts and levi's, that's a double homicide
I be lookin sexy everywhere
I needa chill cuz dey gon put me in the electric
Chair for murderin yall
They say it's a crime the way that I shine
All this ice on my neck sendin too many blind
Gucci hat, gucci shoes you can gone lock me up
Gucci bag filled up, with the boosie fresh cut
Yeeaaaahhh

Cuz I'm killin em all when I step on the scene
I'm murderin em all in a first degree
2x go head and take me to jail 2x
