Heard me
Bet somethin', shoot somethin'
I know you ain't gon' do nothin'
Heard me

It's like B. Gizzle got a worldwide ghetto pass
I'm rippin', nigga, take a flight to the motherland
I fear God only, never fear another man
It's never one hustle, I always got a backup plan

It ain't no secret, I can tell ya 'bout the gutta, man
I'ma write a book on how to come out the struggle, man
Now come through, you know what's in 'em duffel bags
A lot of gats, a lot of cash and some ski masks

You know my street pass, it been certified
Stop lyin', I'm a G you been heard about
Stop rippin', you a pussy I been heard of you
You playin' with a gangsta, homie, the nerve of you

Oh, you lookin' for me but dog, I'm lookin' for you
I'ma have yo people wearin' 'Rest In Peace' shirt of you
My reputation on the block been A-1
I'm the same inner nigga I been since day one

I said, bet somethin', shoot somethin'
You just talkin', I know you ain't gon' do nothin'
Pussy nigga, you heard me?

If you got somethin' to lose
You gon' lose somethin' unless you do somethin'
So you heard me?

Gotta use what you've learned
In order to receive what you've earned
Make sure you heard me

Real niggas do real things
And there's a lot of real niggas in the game
I know you heard me

You say

(You heard me)
I say
(You heard me)
He say
(You heard me)

I know you heard me
She say
(You heard me)
Everybody, they don't like it when I say
(You heard me, you heard me)

G, you got a lot of nerve, they talkin' a lot of hurt
Only round your homies, when I'm 'round you, homie,
not a word
I'm a heathen who fights for what he believe in
And I don't have no plans on leavin' till I get even

Salt and pepper, nigga, I'm seasoned for any reason
The day you wantin' somethin' with Juve, come on and
see him
My G ain't gon' allow me to lose
I'm bustin' shots soon as you nigga move, ooh

I'm not a fan of fools, that's why I got attitude
Runnin' your mouth to me, I'ma try to get at a dude
Don't even have a tool, what is you tryna prove?
Go 'head and choose, you can die with 'em designer
shoes

I said, bet somethin', shoot somethin'
You just talkin', I know you ain't gon' do nothin'
Pussy nigga, you heard me?

If you got somethin' to lose
You gon' lose somethin' unless you do somethin'
So you heard me?

Gotta use what you've learned
In order to receive what you've earned
Make sure you heard me

Real niggas do real things
And there's a lot of real niggas in the game
I know you heard me

You say
(You heard me)
I say
(You heard me)
He say

(You heard me)

I know you heard me

She say

(You heard me)

Everybody, they don't like it when I say

(You heard me, you heard me)

N.O. on my fitted, committed to my city

Anything I will commit it, just to show that I'm

committed

Commit it then get acquitted, aye, Gizzle, let me get

'em

Gizzle, let me get 'em, eat 'em up then shit 'em

And ain't no explanation for this damn insanity

I'm monster like I'm part of the Addams Family

And some say I am old but I'm new to a few

And I'm blessed, achoo

I came to get me and I got you and I'm so me and I'm
not you

And even if you get married you couldn't do what I do

Now let me get high off my drug scandals

Life's a gamble

I said, bet somethin', shoot somethin'

You just talkin', I know you ain't gon' do nothin'

Pussy nigga, you heard me?

If you got somethin' to lose

You gon' lose somethin' unless you do somethin'

So you heard me?

Gotta use what you've learned

In order to receive what you've earned

Make sure you heard me

Real niggas do real things

And there's a lot of real niggas in the game

I know you heard me

You say

(You heard me)

I say

(You heard me)

He say

(You heard me)

I know you heard me

She say

(You heard me)
Everybody, they don't like it when I say
(You heard me, you heard me)
