Verse 1:

I have seen a sunset from a beach in Laguna
I've seen the Niagra Falls
I have seen the world from the top of the Rockies
I tell you, I thought I'd seen it all

Chorus:

You showed me love hotter than the Mojave Desert
Sweeter than a sweet Georgia peach
Wilder than mustangs in Montana
More beautiful than the Smoky Mountains in the Fall
Until you, I thought I'd seen it all

Verse 2:

Well those giant redwoods stir the depths of my soul
The Grand Canyon left me in awe
I've been lost in the wonder of the stars of all Texas
I tell you I thought I'd seen it all

(Chorus 2x)
