Lord, I'm tired, and I'm weary  
And I can see a long dark valley ahead of me  
I don't have the strength,  
To pass these trials  
Then I hear my Father say to me

(Chorus)  
I'll go with you even in the valley  
Hold my hand  
I'll lead you to the mountain top  
I'll never leave you,  
And I'll not forsake you  
Together, all the way you and I

This valley seems dry as a dessert  
But I'll cause rivers of cold water  
To spring for you  
And when your strength is gone  
And you can't carry on  
Don't worry I'll carry you

CHORUS

TAG:  
I'll never leave you,  
And I'll not forsake you  
Together, all the way you and I
