[INTRO:]

Ohhh ohhh ohhh ohhh
Hey yea yeaaa
He don't deserve you

[VERSE 1:]

I swear it's crazy how ya man be treatin ya
He be actin' funny but he really does need ya
U need 2 cut him out the picture cause he don't
deserve ya
If it's attention that you want then I can give you closure
(ayy)
Baby close your eyes so I can show ya
I need you on my team baby won't you let me coach ya
Put you on some things that you never
Plus it's quite clever
Cause guaranteed what he do I can do better

[CHORUS:]

U should already know you need 2 be with me
And if you would just let him go
Then only you will see your blindfolded
Baby there's no need 2 be nieve (blindfolded)
Girl you need 2 let him be
And it's so sad to see
That you can't see what's going on
Baby come with me
Can't you see he's got you (blindfolded)
Baby there's no need to be nieve (blindfolded)
Girl with me is where you need 2 be

[VERSE 2:]

What I can do for you
U won't be all alone
Now baby stop 2nd guessing it
U got a winner ain't no stressin it
