[Leonel Valdez/Mario Linhares]

In my travels through the oceans of death  
Through her eyes now I see  
I cry to the heavens and beg to die!

Odin God send me reaction  
To break the chains of insanity  
A Devilmaid is leading on my soul  
Trapped in her eyes, tentacle voice  
Who promised honey but gave me gal  
She's dedicated to drain all my blood  
Hear the scream in my voice...

Die Mermaid! with the hate and the anger  
That flows from your eyes  
I don't care all the evil you've made  
'Cos you know you've drawn all remains that I got  
And all that's left to cry Die Mermaid!

Ladywhore staining the earth  
With your dirty prostitution  
Wait for the bloody revenge  
That I bring in my hands  
I've been dying a thousand times  
Living in the deeper hell  
Finally I wanna cry so "die baby die!"  
Feel the hands of the pain...

Die Mermaid! I don't care if I die  
Once more in your arms  
My flesh doesn't burn anymore  
'Cos pain and pain brings breeze of hope  
Someday I'll be free...

Hear the wind blows over the night  
And listen to the news that it brings  
Hear the judgement it's your condemnation  
They are laughing, spitting and betting your fate  
Hear me again...

Die Mermaid! With face on an angel

You are gonna die!  
I don't know if we'll meet again  
Die Mermaid! Yeah! Die!
