Heavens As Hollow
Repent
I survived the onslaught
This backfire has left me with contempt
And now I laugh
At all the sheep

Look into the sky
Can't you see that you've been
Crippled by volition
And this masked commercial machine
Feeds on your very being
Talons of the billions tear into your flesh

Show me the scars

Reality shall dictate my abilities
Logic shall keep watchful eye over my beliefs
No falsehood shall hinder my freedom
No longer will I fall prey to the way
The way the truth the lies

Show me the scars
Show me the fucking scars

Rub from your eyes the ash of god
And enjoy your virgin gaze into the sunlight
