Draw my gat to his gum an say surprise nigga (nigga)

Pull back the trigger (trigger)

Ra-ta-ta-ta if your that dump his body in the river

Now that's really something, but that's how it goes in
the city of Compton

Runnin out as you's catching the blues from my AK

Mark got me fed up, got wet up, now he's put to rest

When the shots rang he tried to drop but caught one in
the chest

Bum, bum, bum now he's doomed cuz he misbehaved

When he gets buried I'mma piss all over his grave,

Hey! That nigga ya best of back up and strap yo bag up
Slap On Yo vest and recognize niggas on the west and
be checkin

Them bustas, bitches and snitches and tricks who think
fade

Can catch a slug but one lay in mud every weekday
From a pop to they skull's top proper

Body shot pop, body shot pop, then he drops
On the scene best of rush that nigga to killa king
Or make obituaries and find somebody who could sing
A sad song dropping tears that never last long
Then take it home get yo grub on and slap bones
Round up the straps for this mission as a must
And watch all the bustas who ain't with it get they last
run

I down a 5th and pour out a sip
As I drip and I trip 'bout my homie who is now RIP
Nutty by nature I'll hate to make ya, break ya neck
Trying to keep from gettin' wet

che check that dome 'for you make it home crack it
skull bone

Before that bell goes ding dong yo ass is gone
That's right so nigga you ever make me pull this glock

I'm from the West side nigga you from the west side
you heard me

My niggas roll deep so peep ass no need to worry

Cuz if a nigga flex watch my tech he can spit and rip
the flesh of your fuckin' chest

Test skill left will when I will appeal with my steel

Because I ain't afraid to die and I'm ready to kill

Watch a nigga's blood spill on the muthaphukkin'
ground

as I dump every round and buck his ass down

To the muthaphukkin' turf putting work like I'm suppose
to

I taps my strap in my hand muthaphukka houstta

Zaggin', blue raggin' doing murders in my mask and

???, start blastin'

187 in the first degree, thre ain't no OG or BG that's
worst than me

A mac ass L-O-C with the homicidal tendency

Nutty Nutty dumping bloody bodies up in the sea

A perfect figure of a Nutty young nigga

Giving it up to the bullets cuz I'm living by the trigger
nigga

And like I said before yo you don't wanna see me

Make sure you're strapped before you step up to this
