[dresta]

This how it's goin down  
Yeeeee, hehehe  
This is my motherfuckin dedication  
From the gangsta  
So all you bustas betta take cover  
Cause i'ma drop some shit on this one

[dresta]

Another day another dollar  
So holler if you hear a motherfucker  
D-r to the e I'm on a mission wit my brotha  
Down for whatever so don't ever play me close  
Ain't no other motherfucker on the east or the west  
coast  
Ever so clear making noise  
My diary's sincere, and I'm down with the geto boys  
So, so a nigga betta check me  
And reevaluate yo step before yo neck hit the deck  
I check, I bust every day that I'm alive  
I'll keep checkin marks till the day that I die  
So why, should another brother try to confess?  
When a nigga from the west, fresh outta yts  
Ah yes, you just didn't know what was crackin  
Thought I wasn't strappin, cause you heard me rappin  
But trick, I only do this shit for you suckas  
Got me clockin clustas talkin bout you bustas

[chorus]

[b.g. knocc out] nigga it's compton everyday allday  
[dresta] you marks can't fuck with the nigga named  
dre

[b.g. knocc out] nigga it's compton everyday allday  
[dresta] you bustas can't fuck with the nigga named  
dre

[b.g. knocc out] nigga it's compton everyday allday  
[dresta] the crowd can't fuck with the nigga named dre

[b.g. knocc out] nigga it's compton everyday allday  
[dresta] you suckas can't fuck with the nigga named  
dre

[dresta]

Now busta, it's d-r-e keep it comin on  
Love it when I shove it ruggish the thugish bone

I only represent the real  
And even though I got a record deal  
I'm a real nigga still  
My homies love that and would  
Know I'm a real nigga from the streets  
Weren't no studios in the hood  
Cause, what the fuck you tellin (you're guilty)  
Well put me back in so I can chill with jayo felony  
Give me a cell with snoop doggy dogg  
So I can rub my dick between that bitch sugar walls  
Niggas must think I'm strugglin  
But fool I got 10 points and own my damn publishing  
So who the fuck should I fear?  
I've been out for 2 years, got blasted but I'm still here  
And now yo people stand in tears  
Because they heard about compton givin head to my  
peers

[chorus]

[dresta]  
So now, as we approach up the ass end  
Nigga give yo setup and keep yo shit blastin  
Till it's fuckin wit yo eardrum  
I never worry bout the next man cause nutty never  
feared nothin  
So now it's simple and it's plain  
And I wanna dedicate this to my nigga dj train  
I feel yo presence in this room  
And if ya see my cousin gugulo tell my niggas that I'll  
see him soon  
A nigga then blew out like a rock house  
'95 now it's all about me and the knocc out  
So watch out cause we dropping shit like a stork  
Keep shit poppin from compton to new york nigga

[chorus]

[b.g. knocc out] nigga it's compton everyday allday  
[dresta] when I roll through your town it's the nigga  
named dre  
[b.g. knocc out] nigga it's compton everyday allday  
[dresta] and niggas can't fade b.g. knocc out and dre
