To grim horizons
The I escapes
The body broken
A hapless shape

Thanatos rising
From Ero's womb
From life awoken
My carnal tomb

Soon now...
Or never

Amorphous angels eerily sing
A glaring promise of deliverance
From devastation and suffering
Spark faint illusions of omnipotence

Come, analepsy
Unmake me
Take me away
Analepsy
Unbreak me

My soul is gone
My mind is charred
There's not much left
To be redeemed

The storm has blown
My self to shards
I drift, bereft
Of death or dream

Soon now...
Or never

Amorphous angels eerily sing
A glaring promise of deliverance
From devastation and suffering
Spark faint illusions of omnipotence

Come, analepsy
Unmake me
Take me away
Analepsy
Unbreak me

With broken eyes
I turn to stone
Derelict, dissolved
I fade, alone

The vision dies
In a void beyond measure
Unabsolved
The decrepit ruined temple of all pleasure
