(Music & Lyrics by Lord Ahriman & Blackmoon)

Unholy master Satan, take my blackened soul

Show me the secret gate

Where the lord of darkness rule

Take away my life

Take it far away

Take it to the shadows

I must die

Into realms of darkness

Where eternal shadows fall

My soul shall be free

Departed from the dying world

Embreced by the dark lord

My soul shall be immortal

Forever and ever I follow

My master Satans call

In the sign of the horns

Come and take my life

In the sign of the horns

I must die

Satan - hear my cries of anger

Come forth from the shadows - and take my life away

Master - sacrifice my soul

Make me one with darkness - Satan let me free

In the sign of the horns

Come and take my life

In the sign of the horns

I must die

Into realms of darkness

Where eternal shadows fall

My soul shall be free

Departed from the dying world

Embreced by the dark lord

My soul shall be immortal

Forever and ever I follow

My master Satans call

Satan - hear my cries of anger

Come forth from the shadows - and take my life away

Master - sacrifice my soul

Make me one with darkness - Satan let me free

In the sign of the horns

Come and take my life
In the sign of the horns
I must die
