I am one with Satan.  
I am the horned beast.  
I am thy mighty emperor.  
Ruler of the dark domain.  
My body is a temple.  
Wherein all demons dwell.  
A pantheon of flesh am i.  
Am i.

Hail me the horned one i am the beast.

I am the truth.  
I am everything.  
Wherever life is born. I am the flame.  
Wherever death will strike.  
I am the knife. Wherever evil dwells.  
I am the one behind.

Infront of the ineffable king of darkness.  
You shall die !!!

I am one with Satan.  
I am the horned beast.  
I am thy mighty emperor. Ruler of the dark domain.  
My body is a temple.  
Wherein all demons dwell,  
A pantheon of flesh am i

Hail me the horned one i am the beast

Rege Satanus, ave Satanus, hail Satan !
