It's crazy.
How I got here, was just coincidence.
Isn't it crazy?
We're all just victims of circumstance.

We've gotten so far,
But we were blinded, by negativity.
But then we see the light. We see with certainty.

We've gotten so far.
Then we all fall behind.
We've gotten so far.
Circumstance has made us blind.

It's crazy.
How I got here, was just coincidence.
We're all just victims of circumstance.

We've gotten so far,
But we were blinded, by negativity.
But possibilities are endless...
