...Gloom's walking down  
From the misty hills...  
From the place I'm gonna stay  
Nevermore...  
Eternity...  
Broken line between  
All the empty hopes I've lost  
From before...  
So close to the sky-  
The spirits of my sorrow  
So deep in my mind-  
The words "because I love her"  
But truth in your eyes  
Just made of tears and passion...  
... Still unbelievable...  
What can I give  
With my icy heart?  
Only bitter taste of sin  
Taste of fear...  
Come, take my hand...  
Take away my breath,  
Wake the moments we could be  
Far from here  
So close to the sky  
The spirits of my sorrow  
So deep in my mind  
The words "because I love her"  
But truth in your eyes  
Just made of tears and passion  
... Still unbelievable...  
The pain I feel  
Never let me go...  
Never let me think the dream  
Was not real...  
So close to the sky  
The spirits of my sorrow  
So deep in my mind  
The words "because I love her"  
But truth in your eyes  
Just made of tears and passion  
... Still unbelievable...
