Here I lay in the calm of night  
Surrounded by an infernal light  
The eternal white  
Can't remember my yesterday  
If I knew when I've gone astray  
Anemone  
Listen to the ecstatic sound  
Surrounded by what I finally found  
Your eternal ground FEAR  
Pristine hope and it's fragrant bloom  
Try to show me a way out of gloom

Take this time  
Enter the unknown  
Fly

So tell me why could I cry  
When a clown puts on his very funny show?  
Dreams by pantomime  
A silent magic  
Tell me how could I smile  
When there's emptiness behind his mask?  
Clappers in my head  
Consume my heart away

(In my arms I hold the flower of the ages)  
Here you lay in the arms of mine, and smile  
And at last I know my love for you won't hide  
No one marks the tender place we're  
Coming from  
Though there is nothing else that I would like  
To show them

Take this time  
To enter the unknown  
Fly

Tell me why could I cry  
When a clown puts on his very funny show?  
Silent pantomime  
The make-up saddens  
Tell me how could I smile

When there's emptiness behind my mask?  
Engulfed by all behind my mask

Am I lying to myself  
About being different from you? no

(They're flying  
... my years, days, hours, minutes, seconds  
But I can't stop this envious time)
