"Lifeless"

Deprived of Will
Three Feel in the Grave
Decaying Soul
Myself I shall Kill
Life Less
Deprived
Lifeless
In Hatred
Portal of Fear
(with) Ornaments of Sin
Barren Life
Drained of Blood, I'm Near
Life Less
Deprived
Life Less
In Hatred
Awaiting Grimly in the shadows...
Utter totalitarin fortressess of Voidmight
In the Water of Life the Circuits are breaking
Eons of Numb Hoplessness Lies Ahead
Life Less
Deprived
Life Less
In Hatred
