You burned the ruin  
The torched remains  
And set the precedent  
Of innocence betrayed  
With the coming of our ages  
Will the chasm clear  
To identify the pieces  
And gather what is lost

The hours feel so different  
Yet everything's the same  
The hours feel so different

Now bring it out into the open  
Full disclosure now  
Bring it out so we can  
Start all over again  
Take another stab at honesty  
Full disclosure now  
Get it done so we can  
Start all over again

Righting the imbalance  
In a difference of hearts  
Close to breakage  
Soon to fall  
Fought the urge  
To carry through  
Held on to the real  
Sacrifice the ego  
Sacrifice the I

It changes the perception  
And alters disbelief  
It changes the perception

Now bring it out into the open  
Full disclosure now  
Bring it out so we can  
Start all over again  
Take another stab at honesty  
Full disclosure now  
Get it done so we can  
Start all over again

The hours feel so different  
Yet everything's the same  
The hours feel so different

Now bring it out into the open  
Full disclosure now  
Bring it out so we can  
Start all over again  
Take another stab at honesty  
Full disclosure now  
Get it done so we can  
Start all over again
