What if some things, are destined to failure?  
What if some things, are never meant to be?  
What if someone never sees?  
What if someone never opens?  
What if somehow, we are different?

Though I never claimed to be right.  
Give to me, the benefit of doubt!

I brought you fires.  
All that you put out.  
I brought you fires!  
For I cannot be without.  
I came with sadness!  
But this my shattered heart can't bear!

What of the times in exhile?  
What of, the hours passed?  
What if touches, seem too trivial?  
You can never tell me I'm wrong.  
A song I've heard so long!

I brought you fires!  
All that you put out.  
I brought you fires!  
For I cannot be without.  
I came with sadness!  
But this my shattered heart can't bear!

So what if healing takes forever?  
So what if time is meant for others?  
So what is left is but a shatter.  
And what is broken can't be whole.  
What is broken, can't be whole again!

I brought you fires!  
All that you put out.  
I brought you fires!  
For I cannot be without.  
I came with sadness!  
But this my shattered heart can't bear!
