What if:

A) some things are destined to failure

B) some things are never meant to be

C) someone never sees

D) someone never opens

E) somehow we are different

Though I never claimed to be right

Give to me the benefit of doubt

I brought you fires

That you put out

I brought you fires

For I cannot be without

I came with sadness

But this my shattered heart can't bear

What of the times in exile

What of the hours passed

What if touches seem too trivial

You can never tell me I'm wrong

A song I've heard so long

So what if healing takes forever

So what if time is meant for others

So what is left is but a shatter

And what is broken can't be whole
