All is not been broken
On streets I dare not walk
Freedom is an illusion
I build my fences high
If there was something out there
I've learned not to expect
There's a hundred million reasons
Not to care

Don't bring it
Don't bring it
Don't bring your misery down on me

Don't bring it
Don't bring it
Don't bring your misery down on me
The misery's crown

As always in these matters
You broke the deal of deals
And wasted what was given
To revel in your mess
I gave up all for nothing
I tried my best
And failed
There's a thousand million reasons
Never to share again

This is how it all begins
This is how it all begins

Don't bring it
Don't bring it
Don't bring your misery down on me

Don't bring it
Don't bring it
Don't bring your misery down on me
The misery's crown

This is how it all begins

Come now
Come now
Come now

Don't bring it
Don't bring it
Don't bring your misery down on me

Don't bring it
Don't bring it
Don't bring your misery down on me
The misery's crown
