Why did you not come?
You always pick your nose,
Your try to keep your cool,
You ain't hardcore.
I'm standing tall,
But I look down,
I never get a chance,
Do you hear what I say?

Your feeling nervous,
I did this on purpose,
Coz you know I'm worth it,
I'm worth it, yeah.

I can sing what I wanna sing,
I sing myself,
Heartache never taken place,
Never will anyway.
I can say what I wanna say,
You ain't cool,
Like I will marry you today,
I won't push my life away,
I'm me anyway.

Will you shut up?

I'm getting sick of you,
Can't you not go?
I know for sure.
I want you to come back,
I was joking,
Nobody can see,
This is me.

I did this on purpose,
Your feeling nervous,
Coz you know I'm worth it,
I'm worth it, yeah.

I can sing what I wanna sing,
I sing myself,
Heartache never taken place,

Never will anyway.
I can say what I wanna say,
You ain't cool,
Like I will marry you today,
I won't push my life away,
I'm me anyway.

I'm me anyway, (in quite voice)
