I told all of my friends never to be a fool,
After my life turned to be un-cool,
As he broke my heart.
I went to one of my friends,
Gave me advice and that boy,
Stopped driving me around the bend.

Looks like my heart shattered,
Looks like my life is battered.

He made me sit in my room for hours,
He made me look myself away,
All alone with nobody to stick by me,
He destroyed my life,
Never to fall in love,
Again,
Not gonna be fooled no more.

My tears ran down my face,
Anytime someone mentioned his name,
Why did this happen to me?

Listen to me right now,
Never fall in love or you will frown,
Until you win the crown.

He made me sit in my room for hours,
He made me look myself away,
All alone with nobody to stick by me,
He destroyed my life,
Never to fall in love,
Again,
Not gonna be fooled no more.

He was all that mattered to me,
He was all that set me free,
He was all I wanted and more.
I was what he didn't want and,
I was what he didn't flaunt and,
I was not meant to be.

Broken hearted, once moooorrrreeeeee!

Aint gonna be fooled, no more.
