I ain't a stupid girl,
But who knew,
It was a long way to be happy,
But nobody knows.

Mr. President aint for me,
Coz I can do better,
Just leave me alone,
I'm not lonely,
You and you need to go,
Before I start running,
Running away.

I'm the one that got away,
Coz I got your money now,
I don't have conversations with myself,
Oh no.

Mr. President aint for me,
Coz I can do better,
Just leave me alone,
I'm not lonely,

You and you need to go,
Before I start running,
Running away.

No more hand to hand,
No more ever again,
I'm the new centerfold.

Mr. President aint for me,
Coz I can do better,
Just leave me alone,
I'm not lonely,
You and you need to go,
Before I start running,
Running away.

I'm the one that got away,
Coz I got your money now,
I don't have conversations with myself,

Oh no.

Yeah I'm not your centerfold.
