Are you aware of what you make me feel, (baby)  
Right now I feel invisible to you, (like, IÂ'm not real)  
Didn't you feel me lock my arms around you  
Why'd you turn away?  
Here's what I have to say I was left to cry there,  
Waiting outside there grinning with a lost stare  
That's when I decided

[Chorus]

Why should I care?  
Cuz you weren't there when I was scared I was so alone  
(Yeah)  
You, you need to listen I'm starting to trip,  
I'm losing my grip and I'm in this thing alone

La La La La Cry Hard

Am I just some chick you place beside you to take  
somebody's place  
When you turn around can you recognize (my face) you  
used to love me,  
You used to hug me  
But that wasn't the case

Everything wasn't ok  
I was left to cry there  
Waiting outside there grinning with a lost stare  
That's when I decided

[Chorus]

Crying out loud I'm crying out loud  
Crying Hard now I'm crying hard

Open your eyes  
Open them wide

Why should I care  
Cuz you weren't there  
When I was scared I was so alone

Why should I care?

Cuz you weren't there when I was scared I was so alone  
Why should I care?  
If you don't care then I don't care were not going  
nowhere  
Why should I care cuz you weren't there when I was  
scared I was so alone  
Why should I care If you don't care then I don't care  
were not going nowhere
