Are you aware of what you make me feel, (baby)
Right now I feel invisible to you, (like, I'm not real)
Didn't you feel me lock my arms around you
Why'd you turn away?
Here's what I have to say I was left to cry there,
Waiting outside there grinning with a lost stare
That's when I decided

[Chorus]

Why should I care?
Cuz you weren't there when I was scared I was so alone
(Yeah)
You, you need to listen I'm starting to trip,
I'm losing my grip and I'm in this thing alone

La La La La Cry Hard

Am I just some chick you place beside you to take
somebody's place
When you turn around can you recognize (my face) you
used to love me,
You used to hug me
But that wasn't the case
Everything wasn't ok
I was left to cry there
Waiting outside there grinning with a lost stare
That's when I decided

[Chorus]

Crying out loud I'm crying out loud
Crying Hard now I'm crying hard

Open your eyes
Open them wide

Why should I care
Cuz you weren't there
When I was scared I was so alone

Why should I care?
Cuz you weren't there when I was scared I was so alone

Why should I care?
If you don't care then I don't care were not going
nowhere
Why should I care cuz you weren't there when I was
scared I was so alone
Why should I care If you don't care then I don't care
were not going nowhere
