He was all I wanted,  
Until I found the next step,  
I knew I found him,  
But did cha know I was wrong about him.  
He wasn't like the last guy,  
He was everything that I like,  
Can't you see I want him?  
And know you know that I am right.

He's all I think about,  
Maybe I'll give him my last pout.

My heart aches all the time (now)  
He's all I think about,  
Can't you tell I'm in love (with him?)  
(oh yeah) He's my one and only.

Anytime I hear his name,  
I don't go red with shame,  
I love him my way,  
And I am proud to say.  
My heart aches all the time (now)  
He's all I think about,  
Can't you tell I'm in love (with him?)  
(Oh yeah) He's my one and only.

Love can last,  
If only you love him back,  
I want him forever,  
Hopefully he wont leave, no never.

My heart aches all the time (now)  
He's all I think about,  
Can't you tell I'm in love (with him?)  
(Oh yeah) He's my one and only.

I love u more than you could know I will love you forever  
more

No more black tears down my face,  
Just always a cheeky grin in it's place,  
Only,

For you.
