Hey you, you want my autobiography,  
You need a life first,  
I aint gonna be in your arms.

The pieces of me have turned into a shadow,  
Oh lalala, my love wont rock your world,  
Coz I'm better off everyday,  
Without you,  
Oh yeah, it's true.

You give me love for me,  
Then I will surrender,  
My heart is unreachable,  
For you,  
Can't you see it will never be you!

The pieces of me have turned into a shadow,  
Oh lalala, my love wont rock your world,

Coz I'm better off everyday,  
Without you,  
Oh yeah, it's true.

Nothing new for me,  
Giving it all away,  
I'm not undiscovered, anymore,  
Anymore.

So it's harder everyday!

The pieces of me have turned into a shadow,  
Oh lalala, my love wont rock your world,  
Coz I'm better off everyday,  
Without you,  
Oh yeah, it's true.

Its harder everyday,  
So I'm sorry.
