Why does nobody take notice of me (when Iâ€™m alone?)
Why do you stare (when Iâ€™m on the phone?)
You donâ€™t even care,
So what is the point of even being there?

You say the same again and again,
My heart beats all around (punching the air),
I thought you knew,
What I did for you.

You make me seem unknown,
For all to see,
Get a life,
I am, more to yeey,
So before you go,
Slamming my door,
Think of all what I have done for you (its true)
I ainâ€™t unknown anymore (to you)

I ainâ€™t,
An unknown skater girl,
Who plans on rocking the world?
If god can make the world in 7 days,
What makes you think I wont this way?

I wanna be the hat on your head,
I wanna be the sheets on your bed,
But looks like dreams dissolve,

Like sugar in fizzy pop.

You make me seem unknown,
For all to see,
Get a life,
I am, more to yeey,
So before you go,
Slamming my door,
Think of all what I have done for you (its true)
I ainâ€™t unknown anymore (to you)

Unknown itâ€™s true,
I am so new,

Unwanted (isn't my state of life),
Unknown it's true,
I am so new,
Tonniiggghhhttt

I will turn the world,
Into darkchild's habitat.

You make me seem unknown,
For all to see,
Get a life,
I am, more to yeey,
So before you go,
Slamming my door,
Think of all what I have done for you (its true)
I ain't unknown anymore (to you)

I ain't unknown,
(to bluddy you)
