It's been a long night, waiting to sleep the day away
And it's been a long time coming along with me every
step of the way

The confinement binds you
And nothing scares me, nothing thrills me
I've fooled myself into believing
That nothing ails me, nothing kills me
The confinement binds you
And nothing scares me, nothing thrills me I've
Fooled myself into believing
That nothing ails me, nothing can kill me

The stagnant time
Is a breeding ground for regrets and wrongdoings
And resolutions take their time that's if they even come
at all
Always seeking redemption
Through the echoes I've listened and still came up
missing
Always seeking redemption
Through the echoes I've listened and still seeped
through the cracks

The stagnant time
Is a breeding ground for regrets and wrongdoings
And resolutions take their time that's if they even come
at all

The confinement binds you
And nothing scares me, nothing thrills me
I've fooled myself into believing
That nothing ails me, nothing kills me
The confinement binds you
And nothing scares me, nothing thrills me I've
Fooled myself into believing
That nothing ails, me nothing can kill me

These wounds will heal nothing can stop me now
These wounds will heal nothing can stop me now
These wounds will heal

These wounds will heal
These wounds will heal
