Some men wait for Jesus and god  
Some men have stopped waiting  
Iâ€™ve been waiting for you for so long  
And now the wind sends you to me  
We are sailors for sure  
Iâ€™m not living for nothing any more

Some men wait for Jesus and god  
Some men have stopped waiting  
Iâ€™ve been waiting for you for so long

We are in bed  
And thatâ€™s the best  
Thatâ€™s the best place I know  
Are you awake ?  
Your eyes are wide open

You say : « take me, just do it once »  
I try to do my best  
Isnâ€™t it pretty ?  
The way youâ€™re coming ?

Some men wait for Jesus and god  
Some men have stopped waiting  
Iâ€™ve been waiting for you for so long

Iâ€™m not living for nothing any more  
Iâ€™m not living for nothing any more  
Iâ€™m not living for nothing any more...
