Faking joyous surprise at the gifts we despise,  
Drinking mulled wine with you.  
On the twenty fifth day, of the twelfth month the slay  
bells return,  
Ringing true

Snowflakes melt in hell  
That it would end  
Don't let the bells end  
Christmas time  
Just let me leave please

Well, the weather is cruel  
And the season of love warms the heart  
But it still hurts  
Youve got your career spend the best part of lifes joy  
apart  
And it still hurts

So that's why I prey, each and every Christmas day  
That it would end  
Don't let the bells end  
Christmas time  
Just let me leave please

Christmas time  
Don't let the bells end  
Christmas time  
Don't let the bells end

Pause underneath the mistletoe leaf and you're not  
here  
You went away upon Boxing Day  
Oh, How am I ever gonna make it into New Year?

Christmas time  
Don't let the bells end  
Christmas time (Christmas time!)  
Don't let the bells end (Don't let the bells end!)  
Christmas time  
Don't let the bells end

Christmas time  
Just let me leave please  
Christmas time (Come on kids!)  
Don't let the bells end (bells ring!)  
Christmas time (ahhhh!)  
Don't let the bells end
