Girl, I know I've got a funny way,
Of showing it.
Yes, I thought our love was here to stay,
And blowing it.
Was never on my agenda,
She meant nothing to me, I meant nothing to her.
And now i realize it's over,
I've just got to tell her!

Girlfriend, I love you, I love you, I love you so much!
I love you, I love you, I love you so much!
I love you, I love you, I love you so much so much!

Girl I know I ripped your heart right out,
So why pretend.
That there is even a shadow of doubt,
That it's the end.
Why the hell are we breaking our necks,
Where there's absolutely no affection, hardly any sex.
To simplify something that extremely complex,
You were my girlfriend, now you're my ex!

Girlfriend, I love you, I love you, I love you so much!
I love you, I love you, I love you so much!
I love you, I love you, I love you so much so much!

Girlfriend, I love you, I love you, I love you so much!
I love you, I love you, I love you so much!
I love you, I love you, I love you so much so much!

Girlfriend, I love you, I love you, I love you so much!
I love you, I love you, I love you so much!
I love you, I love you, I love you so much so much!
