(Grief!) Yes, it's grief hammer time (hammer)  
(Grief!) Yeah, it's grief hammer time

DIY not, commision my erection,  
Tool for hire, manual love,  
Rigger boots and dungarees,  
And a grimace

(Grief!) Yes, it's grief hammer time (hammer)  
(Grief!) Yeah, it's grief hammer time

Well it's an odd job, but someones gotta do it,  
Jack of all trades, master of love,  
I'm a handy man to have around,  
In a fight!

(Grief!) Yes, it's grief hammer time (hammer)  
(Grief!) Yeah, it's grief hammer time

(Give it to me)  
Hammer, hammer, hammer, hammer  
Hammer, hammer, hammer, hammer,  
Oh It's Hammer Time!

Solo

Yeah, it's grief hammer time  
(GRIEF!)
