All I wanna do is spend a little time with you,
But you're so young it's obscene,
I'll just keep biding my time until you put your little
hand in mine,
Oh i can't wait for the day when you finally turn 16,

There are so many rats on a sinking ship,
There's so much of you, I can't wait,
To get to grips, when your halo slips, Oooh!

How dare you call this love,
Ooh that's what they say,
It's that urge I've gotta fight!
How dare you call this love,
Why it flies in the face of all that is good and is right!

You've got it all and you're always my first port of call,
This is the happiest i've ever been,
And i know i should wait,
But you lay it all out on a plate,
And i'm just a pawn in the game for when the laws of
nature intervene.

There are so many rats on a sinking ship,
There's so much of you, I can't wait,
To get to grips, when your halo slips, Oooh!

How dare you call this love,
Ooh that's what they say,
It's that urge I've gotta fight! Ow!
How dare you call this love,
Why it flies in the face of all that is good and is right!

Ga-ga-ow!
Yeah. Keep it moving.

How dare you call this love,
Ooh that's what they say,
It's that urge I've gotta fight!
How dare you call this love,
Why it flies in the face of all that is good and is right!

How dare you call this love,
Ooh that's what the say,
It's that urge I've gotta fight!
How dare you call this love,
Why it flies in the face of all that is good and is right,
yeeeeeeaaaah!
