All I wanna do is spend a little time with you,
But you're so young it's obscene,
I'll just keep biding my time til you put your little hand in
mine,
Oh i can't wait for the day when you finally turn 16,

There are so many rats on a sinking ship,
There's so much of you, I can't wait,
To get to grips, when your halo slips, Oooh!

How dare you call this love,
Ooh that's what they say,
It's an urge you gotta fight!
How dare you call this love,
When it flies in the face of all that is good and is right,
yeeah!

You've got it all and you're always my first port of call,
This is the happiest i've ever been,
And i know i should wait,
But you're laying it all out on a plate,
And i'm just a pawn when the laws of nature intervene,

There are so many rats on a sinking ship,
There's so much of you, I can't wait,
To get to grips, when your halo slips, Oooh!

How dare you call this love,
Ooh that's what they say,
It's an urge you gotta fight! Ow!
How dare you call this love,
When it flies in the face of all that is good and is right,
yeeah!

Ga-ga-ow!

How dare you call this love,
Ooh that's what the say,
It's an urge you gotta fight!
How dare you call this love,
When it flies in the face of all that is good and is right,

yeeah!

How dare you call this love,
Ooh that's what the say,
It's an urge you gotta fight!
How dare you call this love,
When it flies in the face of all that is good and is right,
yeeeeeeaaaah!
