Once a day
I wink at you
And you grin
Like a puma (growl)
I watch as you
Spend an hour or two
In the bath
Like a tuna (hm hmmm)

One times...I love you.
Two times...I love you.
Three times, Four times, Five times...I love you you you
you ooooh

Twice a week
I take a peek
As you bathe
Like a reptile (ooh)
I catch your eye
And you throw your sponge
It's a soaking projectile

One times...I love you.
Two times...I love you.
Three times, Four times, Five times...I love you I love
you I love you ooh

One times...I love you.
Two times...I love you.
Three times, Four times, Five times a week I love you I
love you I love you
I love you
(kiss)
