Oh lord, I'm so bored
Living on my own
You're devilish and dirty
They say your pushing thirty
Well pushing thirty stone

Oh Christ, I'm enticed
I want you in my sack
You're potty-mouthed and brassy
Anything but classy
I've just got to get you back

It's been a while,
Since I've seen that smile
But the old magic's still there

[CHORUS]

And I love what you've done with your hair...oh yeah!
I just love what you've done with your hair...oh yeah!
Oh!

Oh crumbs, I'm all thumbs
Lying here with you
You're beautiful and busty
But I'm a little rusty
I've forgotten what to do

It's been a while
Since I made you smile
But the old magic's still there

[CHORUS]

And I love what you've done with your hair...oh yeah!
I just love what you've done with your hair...oh yeah!
Oh yeah!

[PIANO & GUITAR SOLOS]

I love what you've done with your hair...oh yeah!
I really love what you've done with your hair...oh yeah!
I love what you've done with your hair...oh yeah!

I really love what you've done with your hair...oh yeah!
