We may not get back what we had, what I threw away  
But you know I would do anything, anything you say  
I'd cross a thousand miles of broken glass on my  
hands and knees  
I would crawl if for a moment we could cease hostilities

And it seemed like such a good idea at the time,  
Such a very very good idea at the time.

I don't know where I am, I don't know where I went  
wrong  
Either way let's start again  
I don't know where I am, I don't know where I went  
wrong  
I don't know where to start again

Now our dream is over, believe me I'm all down  
You always seem to come alive when I am not around

And it seemed like such a good idea at the time,  
Such a very very good idea at the time.

I don't know where I am, I don't know where I went  
wrong  
Either way let's start again  
I don't know where I am, I don't know where I went  
wrong  
I don't know where to start again

Solo

But it seemed like such a good idea at the time,  
Such a very very good idea at the time.

I don't know where I am, I don't know where I went  
wrong  
Either way let's start again  
I don't know where I am, I don't know where I went  
wrong  
I don't know where to start again
