(radiohead cover...but done a lot differently so lyrics
Are missing if comparing with original version but it's
how
The darkness do it)

Rows of houses, all bearing down on me
I can feel their blue hands touching me
All these things into position
All these things will one day take control
Fade out again, fade out again

Cracked eggs, dead birds
Scream as they fight for life
I can feel death, can see it's beady eyes
All these things into position
All these things will one day take control
Fade out again, fade out again

Fade out again, fade out again
