"Ravishing Grimness"

Impersonal whirling
Clinical hate
Abrupt irritation
Morphed (into) anger

Pounding exploding
Ravishing grimness
Completely born and built to loathe
Genes drenched in ferocious wrath
Vindictive instincts greeted with glee
A dreary hell's in store for me

Chronic deviant mood reactions
Ripping cruelty
The only ability
Black hole soul
High on hostility
Unearthly rush
Of misanthropy pure
For this I'll burn in Hell for sure

A dreary hell's in store for me
Vindictive instincts
greeted with glee
Chronic deviant mood reactions
Completely born and built to loathe
