Let me go, to this world  
See my pain, sacrificed  
Flee my row, in unease  
Filth no gain, is my doom

In the warm dusk, birth of life's spark  
Thrown in this world of greed  
The essence flask, sense stays in dark  
Decay of seed

In a mace of colder fears  
Dogmatic Coercions unleashed  
Pathway of the crowned beast  
The heavens weep

Let me go, to this world  
See my pain, sacrificed  
Flee my row, in unease  
Filth no gain, is my doom

The chain is broken, a creature is freed  
All the bonds are concealed  
It's hopes taken, freedom is agreed  
Fate is revealed

In a mace of colder fears  
Dogmatic Coercions unleashed  
Pathway of the crowned beast  
The heavens weep

Let me go, to this world  
See my pain, sacrificed  
Flee my row, in unease  
Filth no gain, is my doom
