"Two Souls Creature - The Salvation"

Visit "[Two Souls Creature - The Salvation](#)" on MotoLyrics.com

My spirit's rising/my mind is falling/my soul is
burning/sweet salvation

Now the road is paved enough blood is spilled/the path
is gone...my fate fulfilled/the gate in front of my
eyes/where sweet salvation lies

I always had to play along the cruel game/it's over
now...no remorse, no fame/but the end is mine

The flames are licking at my shanks/pain screams
through my mortal body/there's my tortured
soul/there's my evil spirit

Fanatic greeds stands in their eyes/as my body turns to
ashes/and my soul is free/the evil spirit is now ours
